It is of vital importance that we clear the counters of every vestige of remnants-every odd lot and every broken line. Inventory must find the widter stocks at the smallest possible minimum—and we apply the reduction knife with a determination that stops at nothing short of a complete clearance. We have made a summary sacrifice in every line that demands a weeding out. Prices have been lowered to a point seldom reached before for equal qualities. It is a Friday bargain event of unusual importance—that must attract the attendance of every shrewd buyer who appreciates this store's methods and enterprise.
